**Re: Cistern Compliance**

To Whom It Most Concerns:

On behalf of Peyton Fire Protection District (the “District”), this letter shall confirm that the cistern located within the Prairie Vista Meadows HOA (“Prairie Vista”) community is presently in compliance with the District’s policies, rules and regulations. Specifically, the cistern’s fittings were properly updated, and there are no other concerns about the cistern as it pertains to such rules, regulations and policies currently promulgated by the District.

The District appreciates Prairie Vista’s cooperation in addressing the items at issue.

Sincerely,

A handwritten signature in black ink, appearing to read 'Rita M. Connerly', is written over a light blue horizontal line.
